DESCRIPTION

Did I say BIG? It's over 3 feet long and the large wall clock certainly lives up to its name. Its energy efficient large red LED lights (only few dollars a year in energy consumption) can easily be seen from any angle so you'll always know the proper time. It has an unbreakable acrylic screen not unsafe glass. It's perfect for any home, business, school, gym, church, warehouse, etc. All employees will be on the same time schedule. No more excuse for late deliveries! It makes a perfect conversation piece.
